

# TANTALLON TITANS JUNIOR GOLF CLUB

## Aim

To introduce pre-handicap boys to a club atmosphere where they can have fun but also improve their skills thru competitions and coaching

To support players to achieve the skill level required to play on the West Links and to progress onto full junior membership.

## Where

North Berwick Children's course

## What Age

6 – 12 years old

## How Much

We will have three membership categories (Gold) £90 per year and (Silver) £55 per year, both include their children's course membership but the full will include 10 coaching sessions of 1.5 hours/session

We will also have a coaching only category (Bronze) which will cost £45 a year for 10 sessions – no childrens course membership or access to Tantallon Golf Club

## What will we provide

We will run at least two sessions per month either as various kinds of competition or coaching or a combination of both and strict criteria as to how they progress and eventually join up to our full junior membership

Prizes will be handed out for the competitions and parents will be asked to join in at various times

We will also give out "Tantallon Titans" bag tags and hats as part of their membership package (no tags to coaching only membership)

We will have times where we will host them in the club to have events like a quiz etc

## Who will help

We have put together a team of PGA qualified volunteer coaches along with any other members who would be willing to come and help

## When do we anticipate starting

I hope to launch in January 2015

## How do we advertise

Initially thru word of mouth, with Fraser Malcolm and his Begginagolf set up, Kate Green and the Clubgolf set up in East Lothian and Scott Knowles and the SG Foundation

## Sponsorship

We have secured a sponsorship partner who is willing to back us for the next 4 years

## How many do we expect

I would be looking to have a minimum of between 10 & 20 kids for it to go ahead but the sky's the limit as to the maximum level

So in short a small idea with huge potential and why
