## Overview of ClubGolf Coaching Pathway

**Stage 1 New:** Players that are NEW to golf, in P5, and have received FirstClubGolf session in school.

**Stage 1 Returners:** Players that have attended some golf coaching in previous seasons and/or have some golf playing experience.

**Stage 2:** Progression onto Stage 2 is on an ability basis advised by the coaches working with the children. The coaches identify at the end of the season who they think are ready to progress. To progress onto Stage 2 juniors should have or be ready to gain a handicap on a full golf course..

**Stage 3:** Players that have an official handicap of under 20

**Stage 4:** Players that have been selected for Regional Coaching

**Stage 5:** Players that have been selected for National Coaching

For further information about the ClubGolf coaching pathway please visit: <http://www.clubgolfscotland.com/play-clubgolf/coaching-in-clubs/>

To progress through the coaching pathway juniors need to play and practice out with their coaching sessions.

To gain a handicap (required for Stage 2) players need to join a club and have 3 cards marked over 18 holes by another player with a handicap.

If you are in doubt which stage of coaching your child should be accessing please contact me and I'd be happy help.
