## Overview of ClubGolf Coaching Pathway

**Stage 1 New:** Players that are NEW to golf, in P5, and have received FirstClubGolf session in school.

**Stage 1 Returners:** Players that have attended some golf coaching in previous seasons and/or have some golf playing experience.

**Stage 2:** Progression onto Stage 2 is on an ability basis. To progress onto Stage 2 juniors should be working on gaining or improving their handicap and ideally be a member of a club. Players need to be playing and practicing between their coaching sessions.

**Stage 3:** Players that have an official handicap of under 20

**Stage 4:** Players that have been selected for Regional Coaching

**Stage 5:** Players that have been selected for National Coaching

For further information about the ClubGolf coaching pathway please visit: <http://www.clubgolfscotland.com/play-clubgolf/coaching-in-clubs/>

To progress through the coaching pathway juniors need to play and practice out with their coaching sessions.

To gain a handicap players need to join a club and have 3 cards marked over 18 holes by another player with a handicap.

If you are in doubt which stage of coaching your child should be accessing please contact me and I'd be happy help.
