ADVICE AND RULES

Notes for Parents

- All competitions are open to those aged under 14 on 1st July 2019.
- Competitions played according to Rules of Royal and Ancient Golf Club, and Local Rules (to be found on back of card for the course). In case of dispute the Committee's, decision is FINAL.
- There will be an entry fee of £2.00 for each competition payable on the day.
- A reserve list will, if necessary, be made for all competitions. The organisers will do their best to give everyone a game. Late entries can only be accepted if space allows.
- Starting times will be posted at the Children's Course and e-mailed out to all competitors a week before the event. Children are expected to report to the Starter at the Children's Course ten minutes before their tee-off time on competition days.
- The purpose of all the competitions is primarily for the enjoyment of the children. We do, however, hope that by competing the children will learn the rudiments of the game of golf. Our markers do their best to help and guide them on the day. The co-operation and support of parents is much appreciated and we would welcome any that could assist in marking or some other capacity on the day. Parents are allowed to caddy for children under the age of eight.
- We look forward to meeting you all this summer.
