

Dear Parent / Guardian

We are delighted to let you know that your child received a 6 week golf experience called ClubGolf as part of their school PE curriculum. ClubGolf is Scotland's national junior golf programme and creates opportunities for children to learn and play golf in a safe, fun environment. We would now like to offer your child the chance to continue enjoying and playing golf through a structured programme. All abilities are welcome.

What does your child need in order to take part?

We provide golf equipment including clubs if needed or you are welcome to bring your own. All your child needs is warm, comfortable clothes and trainers or flat shoes (no football shirts/colours please).

Who will coach your child?

Your child will be taught by PGA Professionals and/or licensed ClubGolf Level coaches. All coaches have undertaken appropriate Child Protection training and have a valid PVG.

What is ClubGolf Stage 1?

Stage 1 is 40 hours of coaching, usually delivered as 4 blocks, over 2 seasons, between Easter and October. Local clubs delivering in East Lothian are: Dunbar, Winterfield, North Berwick West Links, The Glen, Gullane, Longniddry, Loretto Academy, Haddington, Musselburgh Old, Musselburgh Monktonhall, Craigielaw and Fisherrow Links. The price varies between £3 - £5 per hour. Discounts may be available for Access to Leisure Pass holders = 20% reduction, 2 or more siblings = 15% and those qualifying for FSM = free. Please contact Kate Green to discuss possible reductions in confidence.

If your child is interested in giving ClubGolf a go after school at a local club please complete the form below. I will then contact you with details of local coaching options to consider. It is best to use email to provide information so if possible please provide an email address that you regularly check and write it clearly!

If you'd like to discuss any of this information further I'd be very happy to hear from you.

Best wishes,

Kate Green, Golf Development Officer, East Lothian Council, Tel: 01875 619071 or
