
AWARDS TO
INDIVIDUAL SPORTSMEN
AND WOMEN

Willie Innes Sports Award Scheme

East Lothian Council offers awards to individual sportsmen and women which are designed to support talented individuals in their training and competition programmes to enable them to progress from regional to national, to international standard. The intention is to supplement, rather than replace, voluntary efforts and initiatives and to work in close collaboration with sports' National Governing Bodies.

Guidance notes detailing the assistance offered are contained within this leaflet and these should be read carefully before completing the application form.

Within the Sports Award Scheme, assistance is also available to individual coaches and officials and, in the form of special awards, to individuals/clubs/groups. Separate information leaflets detail the conditions under which applications can be made in these two categories.

If you have any further questions about any aspect of the Scheme, please contact:

Gwen Stewart on 01620 820 658 or email

sportspass@eastlothian.gov.uk

- D — Placed in first eight in East of Scotland Championships - or equivalent - at any level.

(Please note that the above grades are only appropriate where a minimum of 12 competitors have taken part in the Championship event. Where this is not the case, the grade may be adjusted.)

Sports Pass

All successful applicants to the scheme are awarded a Sports Pass which gives the individual free use during normal public sessions of facilities associated with the applicant's sport (but excluding the cost of any coaching), and general training facilities, such as weights, body conditioning equipment and swimming. The Sports Pass can be used in the wide range of sports and recreational facilities operated by East Lothian Council.

Training and Competition Grants

Grants are available to individuals graded A - C to help meet training and competition costs associated with their higher level of performance. Club training sessions and competition costs are not eligible.

Awards are based on 50% of the applicant's costs incurred while attending appropriate events within the UK only, where expenses have not been reimbursed by any other body. (For events outwith UK please see separate leaflet - Sports Award Scheme - Special Awards)

Grants will not exceed the maximum levels for each category which are currently:

Grade A £300 Grade B £200 Grade C £150
