Do you qualify for FREE activities?

Cost should not stop your child taking part in sport and physical activity, that's why Active Schools in partnership with Education are offering **FREE** access to all Active Schools activities for this in receipt of Free School Meals. This support is delivered confidentially. To confirm you qualify, and to be given your promo code, please get in touch. Your promo code should be used when booking East Lothian Active Schools activities online (at checkout).

Volunteers Required!!

Our entire activity programme is only possible because of our vast network of Volunteers and Coaches who commit their time to allow your children to get involved in physical activity. We are always looking to recruit volunteers!

Remember... Active Schools are here to help!

Active Schools across East Lothian are making a huge effort to try and get everyone involved in physical activity, no matter of their circumstances! For example, does your child have any issues that you think will stop them getting involved? No matter, let us know and we will aim to accommodate them in some aspect of our programme!

Classes run on dates specified, no classes will run during School Holidays. If any class is due to be cancelled you will be notified by text message or phone call. Parents may only sit in on a session for Week 1, unless arranged with the Active Schools Coordinator.

Complete Beginners - All of these classes are designed for children who have never attempted the activity before. Each child may only attend this for 1 block only. If you wish your child to continue the activity, there a club links in place to accommodate this.
