Cost should not stop your child taking part in sport and physical activity

We believe that everyone should be able to participate and enjoy sport and physical activity whoever they are and whatever their background. Cost should never stop your child participating in sport and physical activity. If you are worried or concerned about your ability to cover the cost related to *any / the activity your child would like to take part in, please contact Laurie Daborn to discuss in complete confidence.

Any assistance is provided confidentially so that it is not obvious to other individuals that your child is receiving this support.

That's why Active Schools in partnership with Education are offering **FREE** access to all Active Schools activities. This support is delivered confidentially.

Who qualifies?

For pupils in Primary 1 to Primary 3 the promo code is available to those families in receipt of additional benefits who have formally applied for and received confirmation of their entitlement for Free School Meals. All children in Primary 4 and upwards qualify if they're registered for Free School Meals with East Lothian Council.

What next?

To confirm you qualify, and to be given your promo code, please contact your local Active Schools Coordinator on the details on this leaflet. Your promo code should be used when booking East Lothian Active Schools activities online (at checkout) or when completing a paper form.

What if my child is NOT registered for Free School Meals?

You can download a Free School Meals application form at www.eastlothian.gov.uk/FreeSchoolMeals or you can contact East Lothian Council by email at educationenquiries@eastlothian.gov.uk or phone at 01620 827 827. You can ask for a Free School Meals application form at your child's school office.

The promo code can only be used for children that qualify. Incorrect use of the code may result in the offer of a place being withdrawn.
