

BECOME A YOUNG LEADER.

Role Specification

Primary goal is to develop and deliver a sport and physical activity programme within your community. We want to create role models in your community who gain hands on experience in project management, marketing, programme development, sports development.

The main aims for the Future Project:

- To design a creative and innovative physical activity programme.
- Work alongside your mentor to ensure the project has all the tools to be sustainable (venues, health and safety, advertisement etc.).
- To understand the fundamental elements of maintaining a successful business.
- Implement the project and then review it highlighting the positive outcomes from it and the areas for improvements.
- To develop your leadership skills

Skills required:

- Excellent communication skills in order to communicate with Mentors and other coordinators involved with the project.
- Great organization and time management skills to keep on top of deadlines.
- Confidence is key. You will be required to take on a leadership role within this project so you have to be confident enough to contact members of the public and to really sell your project.

What the project will entail:

The project is a year long project from the end of September 2018 through to June 2019.

- Training Day 1: Sunday October 28th Queen Margaret University.
Training Day 2: Sunday November 18th Queen Margaret University.
Residential: During February break 11th - 16th February.
- Frequent communication between you and your mentor through the use of Slack Channel.
